Ref. No.: AWD-251/074/75

Date:  
20<sup>th</sup> November, 2017

## Circular

As per CAAN decision dated 2074/7/16, the following Airworthiness Circular has been issued and operators are requested to comply accordingly and amend their respective organization procedures accordingly.

### NDT

1. The organization shall make their own NDT procedure and get approval from CAAN.
2. The board recognized for CAAN for NDT shall be ASNT, PCN and European National Aerospace NDT board as per NCAR 145. AMC 145.A.30 (f). The standard to be followed for NDT shall be EN4179 or NAS 410.
3. The organization conducting NDT job for other CAAN approved organization shall seek for NDT level III approval based on CAAN guidance and requirements.
4. Organization performing NDT job for their own aircraft, procedure for NDT shall be mentioned in their respective MOE and shall not be reflected in CAAN scope of approval certificate (Reference: NCAR M, Appendix IV).

### Wheel & Brake Shop

1. The authorization for Wheel & Brake Servicing and Battery Servicing shall not be issued by CAA Nepal from now onwards. The organization shall issue their own internal authorization for Wheel & Brake servicing and battery servicing for these tasks within the organization scope of approval issued by CAAN. The same CA issuance procedure must be reflected in the respective organization procedure manual.

Thanking you,

Er. Samrat Pradhan

Sr. Officer

Airworthiness Inspection Division

Flight Safety Standards Department
