Subject: Radio telephony discipline.

This is in reference to report received to this office from Nepal Army regarding abnormal communication in the air which has raised concerns about flight safety, you are hereby instructed to ensure that your flight crew members maintain a strict radio telephony discipline including airmanship during the flight especially when flying with VIP's and diplomats on board or in areas where VIPs or diplomats are present. Use of abusive or provocative words in flight against VIPs or diplomats could invite serious legal consequences as per the prevailing laws of the Government of Nepal.
