**Circular 03/2025**

Date: 20 May 2025

To;  
All Helicopter Operators,

Subject: Monsoon Circular 2025

With reference to the approved Monsoon Circular 2025, all operators are hereby instructed to implement the following additional measures with immediate effect:

**1. Dual Pilot Operations:**

All helicopter flights up to 12,000 feet AMSL during the monsoon season must be conducted under dual pilot operations.

*Exceptions:* This does not apply to medical evacuation flights, rescue missions, or operations to/from Kerung and Hilsa.

**2. Mandatory Monsoon Briefing:**

A thorough monsoon season briefing must be provided to all concerned personnel prior to the activation of monsoon operations.

**3. Training and Check Flight Notification:**

All scheduled training and check flights should be notified to the Flight Safety Standards Department (FSSD), CAAN, no later than 15 days before the planned date of operation.

All operators are required to ensure strict compliance with the above instructions to maintain the highest level of safety during monsoon operations.
