## Circular on Carbon Offsetting and Reduction Scheme for International Aviation (CORSIA)

This circular is issued to the CORSIA Focal Points of international aeroplane operators registered in Nepal in line with the submission of verification report of CO<sub>2</sub> emissions for the year 2020. The aeroplane operator and the verification body shall both independently submit, upon authorization by the aeroplane operator, the verified Emissions Report, and associated Verification Report for 2020 to CAAN by 31 May 2021 as per CAAN CORSIA Requirements (Issue 01, Revision 01 dated February 2021) Appendix 1.

The CORSIA Focal Points of respective airlines are encouraged to make all their efforts to meet the deadline of 31 May 2021 to report on their respective 2020 CO<sub>2</sub> emissions data to CAAN.

The operators who are yet to submit their Emissions Monitoring Plan (EMP) for initial approval or those desiring to submit the revised EMP are encouraged to do so at the earliest. The operators whose annual CO<sub>2</sub> emissions from international operations for the year 2020 does not exceed the threshold value of 10,000 tonnes are exempted from Monitoring Reporting and Verification (MRV) requirements for the said year. Nevertheless, CAAN must be informed accordingly.

Sincerely,

Er. Bidhan Shrestha
