Attention: CORSIA Focal Points

Circular on Carbon Offsetting and Reduction Scheme for International Aviation (CORSIA)

This circular is issued to the CORSIA Focal Points of international aeroplane operators registered in Nepal in line with the submission of verification report of CO₂ emissions for the year 2021. The aeroplane operator and the verification body shall both independently submit, upon authorization by the aeroplane operator, the verified Emissions Report, and associated Verification Report for 2021 to CAAN by 30 April 2022 as per CAAN CORSIA Requirements (Issue 01, Revision 01 dated February 2021) Appendix 1. The reporting is to be done on a State pair basis.

The CORSIA Focal Points of respective airlines are encouraged to make all their efforts to meet the deadline of 30 April 2022 to report on their respective 2021 CO₂ emissions data to CAAN.

The operators whose annual CO₂ emissions from international operations for the year 2021 does not exceed the threshold value of 10,000 tonnes are exempted from Monitoring Reporting and Verification (MRV) requirements for the said year. Nevertheless, CAAN must be informed accordingly.

Sincerely,

Er. Bidhan Shrestha
